## HAUNTED GARDEN UPDATE: (SPOILER ALERT: IT WAS A SCREAM OF A TIME)

With more than 140 group tickets sold, a host of corporate sponsors, and dozens of spectacular Jack-o'-Lanterns submitted to our first annual Ronald Harvey pumpkin carving contest, this year's Haunted Garden fundraiser was a huge success! We had a blast and raised a lot of money for the Development Society, every cent of which will directly support the school and our students.

This year's garden was spookier than ever with dozens of new decorations, many of which were donated from members of the school community. Student volunteers from Ronald Harvey and Paul Kane High School posed as a witch, zombie chef, ghost, and a mad scientist. We even had our very own fortune teller! It all came together to create an unforgettable experience.

Principal Anderson and Vice Principal Hauptman awarded prizes for the spookiest, scariest, and most original pumpkin creations. Doing so was no easy task as we had dozens of creative, incredibly well executed submissions. Well done to all participants. This will surely continue on as a Ronald Harvey Halloween tradition for years to come!

**None of this would have been possible without the ongoing support of our Ronald Harvey community, our dedicated team of volunteers, and these generous sponsors. On behalf of the Ronald Harvey School Development Society and all the kids, we thank you!**
