School Council Update

This has been another outstanding fundraising year for your Ronald Harvey Development Society. With a huge kick-off in the form of our first Back to School Movie Night (which we can't wait to host again), to another successful Haunted Garden, outstanding buy-in to our Holiday Catalogue, and great support for monthly popcorn sales, treat bags, and Healthy Hunger hot lunches, we have been able to give back to the school in a big way this year.

Since September, your Development Society has donated \$5,000 to the school library, \$5,000 to provide additional technology for the students, awarded each teacher with funds for supplies or support towards a field trip, and treated the teachers and staff to lunch. We were even excited to surprise the students last month with a special visit from our Oilers' very own, Hunter the Lynx.

Every dollar counts and we are committed to ensuring that your hard earned money makes it back to the students in ways that make a real difference. We continue to stand by our 'today's dollars, today's kids' philosophy and look forward to making more contributions before this school year ends.

None of this would be possible without the continued support of our school community!

Mother's Day Flower Sale

We are excited to offer a selection of shrubs and potted plants just in time for Mother's Day! This spring fundraiser will be generated through your Healthy Hunger account, which means that placing an order for mom will be just as easy as buying hot lunch for the kids!

More details to come!

Spring Carnival & Rummage Sale

If you have plans to clear out your garage or basement this spring recess, keep this in mind. On Saturday, May 28th, your Ronald Harvey Development Society will be hosting our first annual Spring Carnival and Rummage Sale. For one day only, our school parking lot will be transformed into a huge community garage sale, open to all residents.

All families will be invited to purchase a table and join in the sale. All proceeds from the table sales will support the Ronald Harvey Development Society.

To add some more fun to the event, we will also be hosting a spring carnival at this time. Inexpensive, family-friendly carnival games will be set up throughout the school grounds. Kids can try their luck at the carnival games while parents shop the rummage sale for newfound treasures. We hope to see you there!

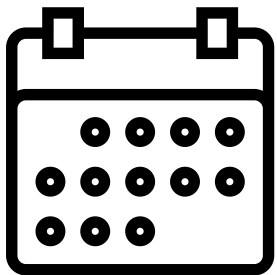

VOLUNTEERS NEEDED

With just over a month to plan this event, we are calling for all hands on deck to help make it a huge success. We are looking for volunteers to help make carnival games, run the games, assist with set-up and tear-down of the rummage sale tables, supervise the Harvey Kid's Table, and create posters and signs.

Helping out with one event is a great way to test out becoming a permanent part of our School Council. Getting involved is a lot of fun and a perfect chance to make connections with other school families. It is also a meaningful way to give back to our amazing little school!
